CALL FOR AN APPOINTMENT

845-563-8000

Appointments preferred; Walk-ups will be accommodated

You do not need be a Cornerstone Family Healthcare patient or have insurance to be tested. Please bring your ID and Medicaid/insurance card, if you have one. All are welcome, regardless of insurance or immigration status.

Tests are provided on a first-come, first-served basis. Test type will be administered at provider discretion. Results are not immediate.

If you have a mask, please wear it.

**Testing is also available 7 days a week at
Cornerstone's Newburgh office on Lake Street.
To schedule an appointment, call 845-563-8000.**
